

Worship Setlist Planner

Plan the service with intention — keys, capos, tempo, and the notes that make transitions land. One page, print as many as you need.

DATE		SERIES / THEME			LEADER
#	SONG	KEY	CAPO	BPM	FEEL & TRANSITION NOTES
1					
2					
3					
4					
5					
6					
7					
8					
9					

Flow tip: open with something familiar, build energy to a peak, then bring it down for response. Note every key change so the band can prep the transition.
